

Equalities Newsletter

Hello Alt Bridge and welcome to the Equalities newsletter! This is the first of our monthly newsletters where we will be keeping you informed of all the wonderful events and achievements going on in the Equality Team.

Firstly we would like to thank all students and staff involved for all their hard work in 2023 and we hope to continue to do more wonderful things for our school and community in 2024!

In December our team worked very hard on donations given to the SHARE charity, where we collected lots of donations from students which were then given to help refugees in the local area.

This was a huge success, and it was a joy to see our students interact with refugees, trying different cuisines from around the world. We got to witness all members of the refugee community be gifted presents from Santa, and our students also received gifts from the community, and Staff were given lovely handmade Christmas cards.

You all would have noticed our Equalitree table situated by the office that gets regularly updated by Mrs. Smith-Whelan, where we keep you all informed with what celebrations from around the globe are being celebrated.

So far this year we have celebrated Diwali and Chinese new year, and recognized holocaust memorial day. We encourage students to create decorations for this display, and make sure they have the opportunity to read about the cultures being showcased.

Each month brings new celebrations and important events, all staff and students in our Equality Team work hard to bring attention to these across our school and in the wider community. Students across year groups actively request events, and regularly contribute to the window displays.
