

CREATE

ARTS.ORG.UK

We were thrilled to work with CREATE on a project sponsored by Barnett Waddington, where pupils spent 10 weeks collaborating with an artist to explore the environment using recycled materials. They developed skills working alongside adults and volunteers to create sculptures. The project culminated in an amazing final event at the iconic Liver Building, where pupils saw their work on display in their very own exhibition, complete with a special buffet and red carpet! Everyone involved loved working with our pupils and can't wait to team up again in the future.

Exhibition at Barnett Waddington
